

May Newsletter

May is a month that can be full of a lot of complicated emotions. We are here to support you and remind you that being a cancer mom is an extraordinary part of being a mother.

In This Issue

- Help support research with our **Moms Take a Stand** campaign.
- Mother's Day gift campaign extension and details.
- New study for childhood and young adult cancer survivors (18+).
- Upcoming support events.

Raise Money for Research with Momcology & Alex's Lemonade Stand Foundation During Lemonade Days in June!

Fundraise Your Way

Set up your own virtual fundraiser.

Host an in-person lemonade stand with friends and family.

Support by directly donating or sharing the Momcology community fundraising page.

Over \$440,000 raised together since 2022 through Moms Take a Stand.

Events registered through the Moms Take a Stand link below, will receive this FREE custom canvas tote in your Lemonade Days box.

Mother's Day Registration Extended •

We've had a big response in 2026!

This Week

Volunteers from Momcology and Northwestern Mutual Foundation will be packing and shipping gifts from the Northwestern Mutual corporate offices in Pennsylvania on May 1st.

Throughout May

If you registered on or before April 15th, expect your gift to arrive via USPS by the middle of May.

Gifts Extended for Updates & New Registrations

Additional necklaces are currently on order and expected to arrive in approximately one month. If you registered after April 15th, your necklace will ship as soon as the new inventory arrives.

New registrants will have the option to choose between a Momcology tumbler, which will ship soon, or waiting for the next necklace shipment.

If you are not currently a member of Momcology, we invite you to complete the New Member Application on momcology.org. Registration for the Mother's Day gift is included as part of the application process.

New Survivorship Study (18+)

Momcology is proud to collaborate on C-SHARP (Cancer Survivorship Health and Records Project). We are now recruiting participants! Survivors of pediatric or young adult cancer are welcome to join two PAID remote studies on access to important health records in survivorship.

Check out the link below to learn more or forward the study link to a survivor at least 18 years old.
